Changes in organizational structure of Scandlines

Dear Madam/ Sir,

We would like to inform you about internal re-organization of the Scandlines group. Single routes and business areas will be transferred to individual GmbHs, which are 100% subsidiaries of the Scandlines Deutschland GmbH.

These organizational changes will have only minor impact for you as business partner of Scandlines Deutschland GmbH. You will receive the well known service whereas the accounting as of 1 September 2011 will be partly done by the new companies as follows:

Travemünde-Liepaja v.v. Travemünde-Ventspils v.v. Rostock-Hanko v.v.	→	Scandlines Baltic GmbH Am Bahnhof 3 a, 18119 Rostock, Germany HRB Rostock 11742, VAT ID: DE 274 440 344
Rostock-Trelleborg v.v. Sassnitz-Trelleborg v.v.	→	Scandlines Hansa GmbH Am Bahnhof 3 a, 18119 Rostock, Germany HRB Rostock 11743, VAT ID: DE 274 440 352

All other routes are managed by Scandlines Deutschland GmbH as in the past. Please note that the bank accounts will be different in each company as stated at the individual invoices.

Independent of the re-organization your known Scandlines contact persons will continuously be at your disposal for your questions or further required information. We are looking forward to continuing our good cooperation.

Your Accounting Department will also receive this letter together with the next invoice.

Kind regards

Dr. Gernot Tesch
